# A MESSAGE FROM MARK

As the Member for Oatley, I am honoured to host the ninth annual St George Community Awards, for which we received a record number of nominations.

Our community is fortunate to have so many people who passionately and generously sacrifice their time and energy in order to assist others. The spirit of volunteerism and dedication is exemplified by the people receiving awards this evening.

I want to express my gratitude to all of the award recipients for their service and commitment to our local community. I also wish to thank nominators for their enthusiastic response and desire to see effort rewarded and recognised.

My appreciation also goes to tonight's Master of Ceremonies Paul McGrath, the performers from Lugarno Public School Band and our special guest for the evening, Todd Greenberg.

Thank you for your attendance and support of these awards and for making the St George Area a wonderful place for us to harmoniously live and work.

Mark Coure MP  
Member for Oatley

“It is admirable to see so many standing in solidarity with colleagues and friends to rightly acknowledge the unsung heroes who have humbly offered so much to our local area.
