April Community Update

Firstly, I am so humbled and thankful that you have re-elected me as your local Member of Parliament.

We have delivered locally for our community over these past 12 years.

- **Over \$740 million to transform and upgrade St George Hospital.**
- **Station upgrades at Narwee and Oatley train stations.**
- **New commuter carparks for Beverly Hills and Riverwood.**
- **Upgrades to every single-school in the electorate - with major upgrades to Peshurst Public, Hurstville Grove Infants, Peshurst West Public and Hurstville Public.**
- **The widening of King Georges Road to 3 lanes in each direction.**

I look forward to continuing to work harder than ever over the next four years to ensure your concerns are heard and that we continue to deliver great outcomes locally.

I will work tirelessly for everyone in our community.

I want to express my thanks and appreciation to all other candidates who stood at this election. Our democracy is a great thing, and I am glad that the campaign was positive and policy focussed. I wish each candidate the best in their endeavours.

To my campaign team and the countless volunteers that gave up their time to help me, I cannot thank you enough. **This win was truly a team effort.**

Most importantly, **I want to thank my family, Adla, James and Sammy.** None of this is possible without each of you. Your love gives me so much strength.

Looking to the future, I will continue to fight everyday for our local community. I will ensure that I hold the Labor Government to account and make sure that their election commitments as well as mine are delivered for our community.

I will fight to ensure that this Labor Government continues to invest into St George Hospital, and I will continue to fight for the upgrades to the Oatley Como Walkway/Cycleway, the re-build of Carss Park Pool, upgrades to Narwee Public and the Peakhurst West Swimming Pool upgrades.

Having lived in the local area all my life, I will fight to ensure that our community is not neglected and continues to receive the record investment that it did under the previous Government.

As always, I am here to help you on any local or state issue. My office and I are ready and able to assist you.

Thank you once again.

Sincerely,
Mark Coure
