\$50,000 for new toilets at GRC Oatley Senior Campus

I recently had the pleasure of presenting a \$50,000 grant from the NSW Government to GRC Oatley Campus for the construction of a brand new toilet block on the school oval.

Not only will this benefit the students and teachers, but also the many sporting codes which utilise the school's playing field on the weekend.

This is great news and a fantastic example of how we are upgrading our local schools to world-class standards!
